RE: Application of AltaWorx, LLC for a Certificate of Public Convenience and Necessity to Provide Resold Local Exchange, Exchange Access and Interexchange Telecommunications Services in the State of South Carolina, and for Alternative Regulation and Flexible Regulation
Docket No. 2015-393-C

Dear Jocelyn:

Pursuant to S.C. Code Ann. §58-3-225(e) I am writing on behalf of Altaworx, LLC to request that the Commission allow the company to withdraw, *without prejudice*, its application for a Certificate of Public Convenience and Necessity.

Because the Commission is not scheduled to meet again until after Direct Testimony for the ORS and SCTC is due (January 25th), I also request that the Hearing Examiner suspend the remaining prefiling deadlines pending a Commission decision on the above request.

I have discussed these matters with counsel for South Carolina Office of Regulatory Staff (“ORS”) and counsel for the South Carolina Telephone Coalition (“SCTC”), and the ORS and SCTC do not object to this request.

With kind regards, I am

Sincerely,

s/ John J. Pringle, Jr.
